

Surrender Your Emotions, Surrender Your Understanding, And Give Him Your Mind & Your Heart by S. S. Murray.

Surrendering to God is what I have done after hearing the word of the Lord being taught by Pastor Bourke at Truth For Living Deliverance Ministry. I made the decision to commit to Christ. This is truly a deliverance ministry. God has give me a new prospective on life after receiving a prophecy through this ministry, and encouragement from the Elder Mother Emma Wright who is 94 years old. Mother Emma has been an inspiration to me as well, as a role model. She is the oldest of the Prayer Warriors at Truth For Living. I am truly growing to higher height and deeper depth in the Lord because of being exposed to the truth of the word. I am receiving the truth to live by.

I have experienced many challenges and opposition since converting to become a Christian. God has delivered me and given me a testimony. My faith has grown since becoming a member of Truth For Living Deliverance Ministry. Recently, I have been attacked with a stoke and a heart attack, all within the same year and a few months apart. God has shown me great favor and He has changed my life for the good. He has restored and revived my life, and I give him the uttermost glory and honor.
